Swimming

This Friday the year fours are NOT swimming but the year fives are. Last week there were 5 separate fire alarms at the swimming pool, set off by high spirited secondary school pupils after completing their final exams. This unfortunately led to 3 full evacuations whilst the children were getting changed. I understand that due to this a number of pupils ended up wearing the wrong clothes. We will endeavour to correct this in the future and if you could ensure that all clothes are labelled clearly this would help us.

Transition

Some of our year 6s are going to Haygrove School and their full transition is coming up (please see the diary dates). We are also have our in school transition day where children can explore their new class and teacher if they are moving around. Class structures will be announced on July 1st.

Parent tidy up day

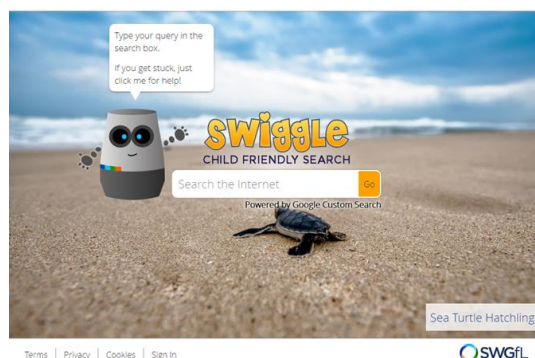

We are still looking to hold a parent day during the summer holidays to help spruce up the school site. We have a bit of woodwork, painting and gardening which we need help with. I am still waiting for confirmation from the builders that we will have electricity and I will let you know a date and time ASAP.

Bike-ability

We have contacted county to run this for our year 6s and will keep you informed when a date is provided.

Safeguarding Update

Help your Child Learn to Search Safely

Children are always curious and love finding out new things online. However, using well-known search engines can lead to them accidentally stumbling across inappropriate content or clicking on adverts.

That's why a new child-friendly search engine called 'Swiggle' has been launched. It's powered by Google but, because it is run by a charity, contains no adverts, and aims to reduce the risk of inappropriate content appearing, as well as providing simple tools to deal with any unsuitable content that does appear.

Why not set Swiggle as your default search engine at home? Find it at:
