Thoughts of an Acting Head Teacher

We have all made it! It has been a long, hot and sticky summer term but we couldn't be more proud of the children here at Spaxton School. I would like to say a big thank you to you for supporting us with your child's education and I would like to say a big thank you to staff and governors who have worked not only in the classrooms but behind the scenes to ensure every achieves their best. I hope you all enjoy the summer break and I will see you in September.

Mr L Kelly

Open day

Thank you to all of those who made it to our open afternoon. It was great to see so many of you enjoying the picnic and joining in with the family rounders game. I think we will have to make more of that next year! Thank you also in joining in celebrating your child's work and their achievements this year.

Continued acts of kindness

Beau took part in the race for life held in Taunton and raised a massive £1175. Beau would like to say: 'Thank you so much to all the staff, my fellow students and their parents who supported me in this venture. Together, we will help a lot of families with this valuable money.'

Homework questionnaire

Thank you to everyone who completed the homework questionnaires. The results are as follows:

What do you feel about the quantity of homework set?

12% too much

84% just right

4% not enough

Do you feel that the homework set is progressive and prepares your child for next year?

86% yes

14% no

Do you feel able to support your child with their homework?

73% yes

27% no

As you can see it is a positive picture with a couple of requests for some more thematic homework and many requests for sessions after school based on core curriculum skills. We will set up these workshops in the new academic year. Thank you for your input and I look forward to implementing these suggestions.
