

## Newsletter

Spaxton CE VC Primary School

Friday 6<sup>th</sup> September 2019

Welcome back everyone. I hope you had a lovely summer break and are rested and ready for this academic year. We have lots of things planned for this year so it is looking like an exciting one! It is the last year of our current vision and values so we are celebrating these and will be looking for your feedback on what is important for our next vision and set of values. Our value for this half term is 'Protect'.

We are also now fully part of the Quantock Education Trust and are looking forward to working with the other schools under this umbrella.

### **Dates for the diary:**

Thurs 12<sup>th</sup> Sept: House meeting elections

Fri 13<sup>th</sup> Sept: Drummond Class Church visit

## Houses

If you would like to know your child's house name and colour please ask the class teacher.

### **Safeguarding Update**

## **#Pledge2Game - New campaign**

The [Internet Matters](#) team are challenging you to 'Play Your Children at their Own Game' this summer! Playing video games with your children is one of the best ways to keep them safe and healthy when they are gaming and we all know that kids love to beat the adults! To support parents, Internet Matters have also created a [Gaming Hub](#), which has fantastic tips on gaming to support families.

Find the advice

at: <https://www.internetmatters.org/resources/online-gaming-advice/> and #Pledge2Game with your children to help them develop healthy gaming habits this summer holiday!
